Dear Judge Koeltl:

Please accept this letter motion on behalf of Jimmy Gale Watson for a continuance of the answer date in both of the above-referenced proceedings. Pursuant to your Chamber's Individual Rule 1(E), the letter motion must state (1) the original date, (2) the number of previous requests for adjournment or extension, (3) whether these previous requests were granted or denied, and (4) whether the adversary consents, and, if not, the reasons given by the adversary for refusing to consent.

Mr. Watson has been served with complaints in both proceedings. Mr. McAfee is a co-defendant in both proceedings. Co-Defendant McAfee has not filed an answer. On information and belief, Mr. McAfee is currently in custody in a foriegn jurisdiction and is engaged in an extradition proceeding.

Accordingly, Mr. Watson files this request for an extension of time to file his answer in these matters, specifically 90 days from April 21, 2021. The original date of this request is April 21, 2021. No previous request for extension of time has been requested by Mr. Watson. The Securities and Exchange Commission and the Commodities Futures Trading Commission have each consented to the requested extension in their respective cases.

I respectfully request that this Court extend Mr. Watson's answer date to 90 days from April 21, 2021 in both the above-referenced proceedings.

Respectfully Submitted,

Arnold A. Spencer
Counsel for Jimmy Gale Watson, Jr.
